Mr. William L. Borden
Executive Director
Joint Committee on Atomic Energy
Congress of the United States
Washington 25, D. C.

Dear Mr. Borden:

Your letter of 6 March 1950, addressed to Dr. Walter F. Colby, Director of Intelligence of the Atomic Energy Commission, together with its enclosure of 4 February 1950 from [redacted] has been forwarded to this Agency for consideration.

25X1

[redacted] has been contacted [redacted] with respect to the information alleged to be in his possession. The information is apparently without foundation and is of no value. [redacted] appears to be very anxious to emigrate to the United States under IRO auspices and his letter to Senator McMahon is apparently part of his plan to facilitate this emigration.
